

RULES & REGULATIONS

PURPOSE:

The mission of the Mustang Heritage Foundation is to increase the adoption of BLM-housed American Mustangs through innovative gentling competitions and awareness programs. In keeping with this mission, the Player's Choice Extreme Mustang Makeover was created in order to promote adoption by showcasing the Mustangs' value and trainability through competition.

OVERVIEW:

New in 2017, the Player's Choice Extreme Mustang Makeover, produced by the Mustang Heritage Foundation with the support of the Bureau of Land Management's Wild Horse & Burro Program, will allow approved trainers to select their competition mustang through an online auction event.

- Trainers will not be adopting their mustangs, only selecting them for training and competition.
- Trainers may have an opportunity to select 2 mustangs (based on application and facility approval) during the selection auction. Within 30 days of pick-up, these trainers will choose one mustang to compete with and will place the other up for adoption through the Trainer Incentive Program (TIP). Trainers will receive a \$1,000 compensation upon completion of the TIP adoption.
- The online selection-auction, produced by Superior Livestock Productions, will be held on April 8, 2017, from 6-9 PM CDT. Interested trainers must submit a Trainer Application to the Mustang Heritage Foundation on or before March 1, 2017. Trainer Applications are available at www.extrememustangmakeover.com. Upon application approval, Superior Productions will contact the approved trainer to provide a bidder number and a bid line phone number. Approved trainers will bid by phone or at the studio in Fort Worth, Texas, during the selection. Bidding starts at \$200.
- Horses available for selection may be previewed prior to the selection-auction at www.extrememustangmakeover.com or a Preview DVD may be purchased for \$10 by calling (512) 869-3225. *Horses may **not** be previewed at any of the BLM holding facilities.*
- Trainers who win the bid are required to pick up their selected Mustang(s) on either May 12 or May 13 at one of the following BLM locations: Burns, OR; Palomino Valley, NV; Canon City, CO; Decatur, TX; or Ewing, IL. These are the only dates and locations available. For shipping purposes, adopters are required to confirm their location of choice on April 8th.
- Over \$130,000 in prize money will be offered during the Player's Choice Extreme Mustang Makeover competition held September 14-16, 2017 at the Will Rogers Equestrian Center in Fort Worth, Texas. Only horses offered through this Selection will be eligible to compete in the Player's Choice Extreme Mustang Makeover.
- \$100,000 in prize money will be distributed to the Top 10 Finalists, with \$50,000 being awarded to the Champion. An additional \$30,000 will be distributed to the highest 10 placing trainers in each of three preliminary classes. Awards will also be distributed.
- All mustangs competing in the Player's Choice Extreme Mustang Makeover competition on September 14-16 will be placed up for adoption following the competition. Trainers will receive 50% commission (over the \$200 adoption and processing fee) on horses adopted for \$200 or more.

Not adhering to the Regulations and Competition Rules listed in this document may result in disqualification from current and/or future Mustang Heritage Foundation competitions and programs.

A 3.5 percent service charge will be applied to all credit transactions.
3. Trainers must be 18 years of age or older as of entry deadline.
4. Trainers are required to be registered members of the Mustang Heritage Foundation in order to compete. Mustang Heritage Foundation membership applications can be found online at www.mustangheritagefoundation.org. The membership fee is \$35 annually. Membership supports Mustang adoption and awareness and provides a membership card, a member's only bumper sticker and event ticket and merchandise discounts.
5. The trainer who selected the mustang must exhibit the mustang. No substitution or replacement of approved trainer will be allowed.
6. Trainer selection will be made based on experience, references, facility approval and geographic location. Alternate trainers will also be notified should any of the selected trainers drop out prior to the Selection Auction.
7. BLM and MHF employees (full or part-time) and their immediate family are not eligible to compete.
8. Any applicant or selected trainer may be removed from the selection process or competition at any time if found to have any alleged history of cruelty to animals or humans. Applicants must meet all BLM Wild Horse and Burro Adoption Requirements. Removal of any trainer from the application process or competition is at the discretion of the Mustang Heritage Foundation's Board of Trustees.
9. The Mustang Heritage Foundation Board of Trustees may at any time conduct a criminal background check on applicants or remove any applicant from the process for any reason or for no reason.
10. Mustangs will be made available for selection by approved trainers through an online auction produced by Superior Livestock Productions. The Player's Choice Selection Auction will be held on April 8, 2017, online and in studio in Fort Worth, Texas.
11. Mustang selection by the trainer becomes final only by bidding (via phone, online or in studio) and winning the bid and paying the bid price on April 8, 2017. All paid selections are final; bid fees will not be refunded.
12. Trainers may be eligible to select up to two (2) mustangs (pending application and facility approval). Within 30 days of pick-up, trainers must designate one mustang as the competition mustang. The other mustang will be placed in the Trainer Incentive Program (TIP), giving the trainer 90 days to find an adopter for the mustang. Upon adoption completion, trainers will receive a \$1,000 compensation through TIP. The competition mustang will be placed up for adoption by the public at the September event following the competition. Trainers will receive 50% commission (over the \$200 adoption and processing fee) on horses adopted for \$200 or more.
13. Mustangs used in the Player's Choice Extreme Mustang Makeover competition will be as uniform in size and age as possible. Age of horse is determined by freemark and BLM health papers and will comply with the industry standard of changing age on January 1.
14. BLM holds ownership of these animals and they cannot be sold or traded.

15. **Trailer requirements:** You must provide transportation for your Mustang from the BLM facility to your facility. While someone else may transport the animal, all trailers must meet these minimum standards: covered top, sturdy walls/floors, and a smooth interior free from any sharp protrusions; ample head room; removable partitions or compartments to separate animals by size and sex, if necessary; floor covered with a non-skid material; and, adequate ventilation. The BLM requires stock-type trailers with a rear swing gate to transport animals. Drop ramp, divided two-horse trailers and trucks with stock racks are not acceptable.
16. **Facility requirements:** Facility can consist of a corral/paddock/stall/round pen. Facility must be a minimum of 400 square feet (20 feet x 20 feet) and have fences at least 6 feet high. Facility must be sturdy and constructed of materials such as poles, pipes or planks (minimum 1.5 inch thickness) without dangerous protrusions. Barbed wire, large-mesh woven, stranded and electric materials are unacceptable for fencing. You should not release the Mustang into a large open area, such as a pasture, since you may not be able to recapture the animal for training or to provide veterinary care. However, once the animal is gentled, you may release it into a pasture or similar area. You must provide shelter from inclement weather and temperature extremes for your Mustang. Shelters must be a two-sided structure with a roof, well drained, adequately ventilated and accessible to the Mustang. The minimum two sides need to block the prevailing winds and need to protect the major part of the bodies of the horse. Tarps are not acceptable. Contact your administering BLM office for shelter requirements in your area.
17. Mustang training must be humane and compassionate. “Least resistance” techniques are encouraged. At all times, the humane care and best interest of the horse are paramount. For Extreme Mustang Makeover events and Mustang Heritage Foundation programs, the trainer is responsible for the well-being and humane treatment of any Mustang entrusted to their care. Contact Mustang Heritage Foundation staff or management to report any health issues with your horse so that proper veterinarian care can be administered. Any suspected inhumane treatment of horses should be reported to management immediately with potential consequences as outlined in our Humane Treatment Policy.
18. Trainers are required to submit a signed release with their application so that all photos and filming may be used to promote the event and will be the property of the Mustang Heritage Foundation.
19. Trainers are required to provide a digital head shot photo of themselves and short bio with their applications – *applications received without photos or bios will not be considered*. Head shot photo may be emailed to photos@mustangheritagefoundation.org. The photo and bio will be used for promotional purposes and will be viewable by the public.
20. Trainers are responsible for all care-related costs from the day the Mustangs are picked up through the competition. Expenses incurred during the training period and competition **will not** be reimbursed.
21. Trainers are required to complete and submit a 7-day, 45-day and 90-day progress report during the training period. Progress forms and supplemental information will be provided prior to pick-up.
22. For any and all reasons, the trainer is responsible for returning the Mustang(s) to his/her nearest BLM facility if he/she is unable to complete the training and participate in the competition. Participation is subject to review if an individual has a history of frequently returning EMM or MHF program horses before completing the training or participating in the competition.
23. The purpose of this event is to showcase the talent and trainability of Mustangs and to provide an opportunity for trainers and horses to engage in safe competition for prize money and awards. Therefore, all horses entered into the competition should be gentle and safe to maneuver through the show grounds. Upon entry onto the show grounds, should a Mustang be deemed unsafe by MHF and/or BLM that horse may be excused or uninvited to participate in the competition and adoption. The goal is for all trainers and horses to participate in the event as long as the horse is safe to do so. If there is a concern regarding the horse’s training status please call the MHF office at (512) 869-3225 prior to the competition
24. Upon entry onto the show grounds, competing Mustangs' freemarkers will be verified by a BLM or MHF representative to determine the horse’s eligibility. For legibility reasons, the trainer may need to shave the hair around the freemark ahead of time.

25. Upon entry onto the show grounds, all trainers must provide a current Health Certificate and Coggins paperwork for all competing horses.
26. Upon entry onto the show grounds, competing Mustangs will be examined by a veterinarian or knowledgeable individual to determine the health and condition of the horse. Should a Mustang be deemed in poor condition by a veterinarian or knowledgeable individual that Mustang may be excused or uninvited to participate in the competition.
27. Trainers may **ONLY** adopt their competition Mustang at the event through the public bid process during the adoption. Trainers must complete a separate BLM adoption application and be approved by the BLM prior to bidding.
28. At least one bag of shavings and one stall per competing Mustang will be provided free of charge. Additional shavings will be available for purchase. One shared tack stall will also be provided free of charge (tack stall may be shared with up to three other individuals). All Mustangs will be stalled together according to the division in which they are competing (Youth Division, EMM, Gathering, etc.). Trainers are not allowed to place locks on stalls.
29. Exhibitors are responsible for bringing all tack, feed and supplies needed during the competition. Shavings will be available for purchase.
30. An arena will be available for warm up and scheduled practices.
31. Competition schedule to be announced.
32. Winners will be announced following the competition.
33. Trainers are required to demonstrate their Mustangs during the adoption on the final day of the event in a manner that showcases the trainability of the horse. For example, if a horse is exhibited under saddle during the competition then it should also be demonstrated under saddle during the adoption.
34. **Conduct:** Conduct shall be orderly, responsible, sportsmanlike and **humane in the treatment of Mustangs**, such as to promote the implementation of the event and fair competition. This includes, but is not limited to: conduct while trainers have Mustangs in their possession; conduct on the show grounds; conduct while trainers are wearing Extreme Mustang Makeover logo wear off the show grounds; and includes the conduct of individuals traveling with trainers, spectators or event managers and all other persons being present on show grounds. Any alleged unsportsmanlike or irresponsible conduct or any form of misconduct, such as illegal, indecent or profane, and **inhumane treatment of horses are prohibited** and shall be grounds for the disciplinary action against offending individuals. Further, event management may immediately expel offenders from the competition or show grounds in order to preserve the decorum of the show.
35. **Mustang Heritage Foundation Humane Treatment Policy**
Every Mustang and all animals shall, at all times, be treated humanely and with dignity, respect and compassion. Any participant using abusive or excessive training techniques or being inhumane to a Mustang in his/her care (determined excessive or abusive by a panel assigned by the Mustang Heritage Foundation and consisting of a panel of licensed equine veterinarian(s) and/or respected horse industry professionals) may be removed from the contest and/or all future contests and training programs. If a participant's horse enters the contest or if the trainer/participant at any time presents a horse with questionable training/care related injuries (determined excessive or abusive by a panel assigned by the Mustang Heritage Foundation and consisting of a panel of licensed equine veterinarian(s) and/or respected horse industry professionals) the participant may be removed from the contest and/or all future contests and training programs. **This policy is in addition to our event rules which are stated above. All trainers must agree to, sign and return the Humane Treatment Policy included in the Trainer Application.** The following list, while in no way exhaustive, includes examples of unacceptable behavior and training techniques:

Use of any bit or equipment determined severe by the judges will not be allowed and will result in disqualification from the class in which it was used.

Tie downs, martingales, mechanical hackamores, spade and high port bits are strongly discouraged and will be judged accordingly with use. The judge or steward may prohibit the use of any bit or equipment they consider inhumane or would tend to give a horse/rider an unfair advantage. The diameter of mouthpieces, length of shanks and use of curb straps or chains must comply with MHF rules. National Snaffle Bit Association and American Quarter Horse Association rules are resources for preferred equipment including the diameter of mouthpieces, length of shanks and use of curb straps or chains.

Any medication, drug, mechanical device or artificial appliance, which is of such character as, could affect or enhance the Mustang's performance or appearance at the event is prohibited. ***If a Mustang is receiving medication for therapeutic purposes, the trainer must submit a letter from their veterinarian to the Extreme Mustang Makeover event manager as to the reason for the medication and the prescribed amount.*** **THE EXTREME MUSTANG MAKEOVER MANAGEMENT RESERVES THE RIGHT TO DRUG TEST ANY MUSTANG IN THE COMPETITION.** Positive tests will result in removal from the event, removal of reimbursement and prize money, refund of adoption fees paid by an adopter and return of a Mustang to the BLM should the adopter wish to return the adopted Mustang. In regard to herbal/natural supplements, trainers are cautioned against the use of medicinal preparations, tonics, pastes and products of any kind, the ingredients and quantitative analysis of which are not specifically known, as many of them may contain a forbidden substance.
11. Trainers will be given specific competition patterns at the event. Trainers will have an opportunity to "walk through" the patterns with the judges, *without their Mustang*, prior to the competition.
12. Class awards may be presented. Any class ties will be broken by the score from a predetermined element in the class. The tiebreaker element will be determined prior to the start of the event. PRELIMINARY CLASS DESCRIPTION & SCORING:

A. Handling and Conditioning Class – 40 points from each judge

During this class, the trainer will lead the horse into a small pen inside the arena, un-halter and release the horse in the pen. The trainer will exit the pen. The horse's conditioning will be scored at this time. Conditioning will be assessed based on the Henneke System. The trainer will then be allowed back into the pen. Upon re-entering the pen, the trainer will re-halter the horse and lead the horse out of the pen to complete a set of handling maneuvers in the arena. This class will be judged on the following:

Handling – 30 points – Judges will assess the horse's demeanor and responsiveness during the haltering process, as well as the relationship between horse and trainer through the completion of additional handling maneuvers including but not limited to the following:

- Walk
- Trot
- Stop
- Back
- Pick-up feet
- Load and unload from trailer

Conditioning – 10 points – The horse's condition will be judged in two areas:

Trainers may clip/trim horses, or leave mane, tail, ears, muzzle and fetlocks natural. Use of false tails or extensions on the mane or tail are prohibited and will result in disqualification. No points will be deducted for short or rubbed out manes or tails. The score will not reflect conformation. To learn more about appropriate weight/conditioning for a horse based on the Henneke System, please visit

ADOPTION DAY:

1. Mustangs must compete at some level (competing in the Handling & Conditioning Class and in-hand in the trail/obstacle class is acceptable) in order to participate in the adoption. Mustangs cannot attend the event for the adoption only.
2. Trainers are REQUIRED to stay and present their horse during the adoption. Trainers are **required** to present their horse in a manner consistent with the appearance and level of training demonstrated during the competition. For example, if a horse is exhibited under saddle during the competition then it is required to be demonstrated under saddle during the adoption. Trainers may have an opportunity to speak to the adoption audience during their adoption presentation.
3. Trainers receive 50% commission (over the \$200 adoption and processing fee) on horses adopted for \$200 or more.
4. Trainers are encouraged to meet the adopter of their horse and are asked to leave feed and water in the horse's stall prior to departing.
5. Trainers wishing to adopt their Mustang must acquire a bidders number and bid (or have a representative bid for them) during the adoption. Trainers may apply any prize money and/or commission earned toward the adoption price. Trainers who adopt their Mustangs must complete the necessary adoption paperwork with MHF and BLM immediately following the adoption.
